3. QUESTIONS & ANSWERS

Q1: Section B4.2 of the Proposed Statement of Services requests the Contractor to “specify if an Advisory Board [...] will be used to achieve the project goals.” Section B4.2.4 lists “2 to 3 Agency and Public Entity Meetings.” However, Exhibit B-3 lists 4 Advisory Board Meetings and 4 Agency and Public Entity Meetings to include in the schedule. How many Advisory Board meetings and Public and Agency Meetings should be included in the schedule, methods, and cost estimate? In addition, there is no mention of public workshops or open houses in the scope of work. Does DOT&PF wish to hold public workshops or open houses as part of this project?

A1: Should the Offeror choose to utilize an Advisory Board, the Contracting Agency anticipates 2-3 meetings. Such meetings and any Public Entity and Agency meetings should be included in the Methods and Schedule criteria. The Contracting Agency anticipates 2-3 Public Entity and Agency meetings. However, the Offeror may be able to achieve the goals of this project with a different configuration or amount of meetings. For instance, some meetings may be in Anchorage, some in the Kenai Peninsula Borough, and some may be by video conference or in person. That is up to the Offeror and will vary widely.

The schedule provided was intended as an illustration or example, and not as an exhaustive, rigid template. The schedule and set of methods will vary depending on the methods, staffing and locations chosen by the Offeror to best achieve the Project's goals.

Q2: On Page 9 of 10 of the Proposed Statement of Services, the tasks jump from Task 6 to Task 8 with no Task 7. Please confirm that there is no Task 7.

A2: This was an error in numbering; there is no Task 7.

All other terms and conditions remain the same.
